Important thinas to remember

Variations from the prescribed program of study should be approved in advance by the appropriate Eastman department and appropriate documentation must be on file in the Registrar's office.

Bachelor of Music students must complete **eight semesters of full-time** college-level study earning no fewer than **120 units**. Students must be registered for 12 units each semester to be considered full-time. Students who earn advanced standing in any subject must complete an equivalent number of optional elective units toward their required total degree units.

Upon receipt of an official transcript, a maximum of six college level units with a grade of B- or better may be used as transfer unit after matriculation.

All Bachelor of Music students must complete FWS 121 plus 20 additional units of Humanities & Sciences courses of at least 4 units each. Any course over 4 units must be approved by the Humanities Department Chair. In some majors (voice and theory), required language classes count toward this requirement.
