³ TH 400 (Analytical Techniques) – Masters Students whose BM degrees were earned at Eastman are advised to take TH 401 rather than 400 for their masters’ theory requirement unless they place into the 117-118 sequence. If they are required to take TH 117-118, then they should take TH 400 after successful completion of TH 118.

Students in this degree program should see the Associate Director of Graduate Advising and Services to formulate an academic plan that includes the other degree program in which the student is enrolled.
